

Changing the Face of Housing in Minnesota and Careership Program Alumni present
The Fifth Annual Leadership Institute

FROM DIALOGUE TO ACTION

Featuring a theater performance and discussion by The ProGroup Players

Tuesday, August 7, 2007 • 8:30 to 11:30 a.m. • St. Paul

Don't miss this powerful diversity experience featuring an original performance by The ProGroup Players! This interactive production incorporates drama and incisive wit to deepen awareness and understanding of issues of diversity and inclusiveness in the workplace. Informed and guided by the real-life work experiences of local Careership alumni, leaders will walk away with increased knowledge, new tools and skills, and an enhanced ability to cope successfully with diversity challenges in today's rapidly changing workplace.

"From Dialogue to Action" is produced and performed by The ProGroup Players, a professional theatre troupe affiliated with ProGroup, Inc., one of the nation's leading diversity consultants. Please join us for an engaging and informative morning aimed at leaders in affordable housing and community development throughout the Twin Cities.

Changing the Face of Housing in Minnesota is a joint initiative of the Corporation for Supportive Housing, the Family Housing Fund, and the Local Initiatives Support Corporation. The initiative seeks to increase the participation of communities of color at all levels of housing production, planning, management, policy, and decision making.
