

PLYMOUTH CHURCH NEIGHBORHOOD FOUNDATION

Inspired by social justice and guided by our many faiths, creating homes for those in need, building community for all.

JOB POSTING

DIRECTOR OF FUND DEVELOPMENT

Plymouth Church Neighborhood Foundation is looking for an experienced and energetic person, who will create and implement a strong and sustainable fundraising and public relations strategy. We plan to grow all areas of fund development, including individual donors, foundations, corporations, and congregations. Our strategic plan calls for continued growth of our private funding, which is currently close to \$1 million annually, to sustain our growth as an organization. Our public relations strategy encompasses communication with our donors, our community supporters and our congregational partners.

Plymouth Church Neighborhood Foundation is a dynamic housing organization with a small dedicated staff and a strong active Board of Directors. The Foundation develops a spectrum of affordable housing including supportive housing for the homeless, workforce rental housing and limited equity cooperatives. Through our Congregational Partnership Initiative, we involve congregations directly in the development and operations of our housing. As a progressive faith-based organization encompassing people of many faiths, we believe that all people have a right to a decent place to live and that we are called to take risks to make social change possible.
