

Service Announcement: Volunteer Coordinator LISC AmeriCorps Member at Plymouth Church Neighborhood Foundation

The Local Initiatives Support Corporation (LISC) is dedicated to helping community residents transform distressed neighborhoods into healthy and sustainable communities of choice and opportunity — good places to work, do business and raise children. LISC combines corporate, government and philanthropic resources to help community-based organizations revitalize underserved neighborhoods. Since 1980, LISC has invested more than \$9.7 billion that has leveraged an additional \$31.3 billion to build or rehabilitate 271,000 affordable homes and develop 40 million square feet of retail, community and educational space nationwide in efforts to Build Sustainable Communities. This strategy extends to the LISC AmeriCorps program where we support placing AmeriCorps Members with local non-profit partners to assist in local efforts to revitalize underserved neighborhoods across America creating vibrant places for people to live, work, and play. LISC's AmeriCorps program seeks to attract talented individuals to serve for one year to help build organizational capacity and is committed to providing opportunities for people to serve where they live. www.lisc.org

Plymouth Church Neighborhood Foundation is a non-profit housing organization, which owns and develops housing to meet a range of community needs. The Foundation has developed housing for those who are homeless, for those in the workforce who need moderate rents and for those seeking home ownership opportunities. We believe in collaboration and work in close partnership with community agencies to ensure that residents are connected to the services that enhance the quality of their lives.

The Foundation was created in 1999 by members of Plymouth Congregational Church to deepen and expand its contributions to the community. The Foundation defines itself as a "faith-based housing developer" because it speaks to the motivation of our leadership and volunteers in giving back to the community. None of our programs have any religious restrictions or involvement. In 2006, we revised our Mission Statement to clarify that the faith that we speak of is not limited to a particular creed or even the Christian faith but recognizes the strength and wisdom of all faiths. *"Inspired by social justice and guided by our many faiths, Plymouth Church Neighborhood Foundation is creating homes for those in need, building community for all."* The Foundation has a Congregational Partnership Initiative which calls to the broader faith community for their involvement in increasing housing choice and opportunity for all.
